

House Resolution No. 1103

**Whereas**, the members of the Missouri House of Representatives hold in high regard those who daily struggle with Alzheimer's disease and the caregivers who so diligently and lovingly watch after them; and

**Whereas**, Joan Means of Fredericktown has attained considerable distinction as a Licensed Practical Nurse who has provided care at Madison Memorial Center, which was previously known as Stockoff Nursing Home, since March 8, 2002; and

**Whereas**, during her professional endeavors at Madison Memorial Center, Joan Means daily cares for residents who have advanced stages of Alzheimer's disease; and

**Whereas**, it is fitting and proper that the Missouri House of Representatives should pause in its diverse legislative endeavors on March 8, 2005, in observance of Alzheimer's Day and in honor of those whose lives are intricately interwoven with that disease:

**Now, therefore, be it resolved** that we, the members of the Missouri House of Representatives, Ninety-third General Assembly, join unanimously to applaud the selfless dedication embodied by Joan Means and to convey to her this legislative body's most heartfelt welcome to the state capitol on Alzheimer's Day, March 8, 2005, and our sincerest best wishes for continued personal and professional success for many more years to come; and

**Be it further resolved** that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution in honor of Joan Means of Fredericktown, Missouri.
